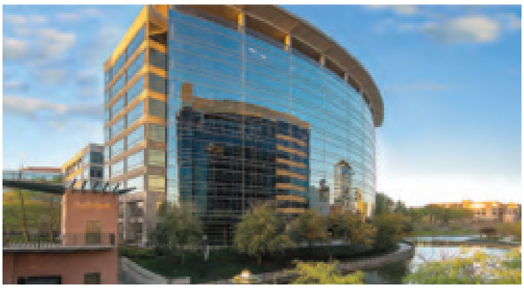
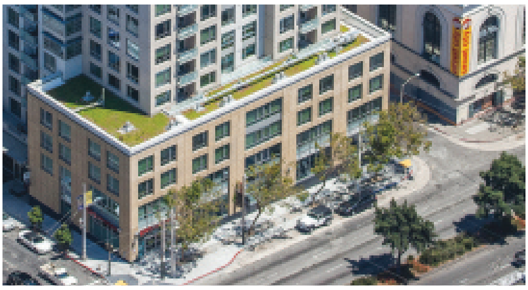
Are all of your investments tied to the volatile roller coaster stock market?

Potentially smooth out the ride by considering adding real estate to your personal and retirement portfolio.

Join us and LEARN how by adding **Real Estate** to your personal and retirement portfolio may help reduce volatility while producing projected monthly cash flow and appreciation potential. You can have ownership interest in properties like these:





These properties are not part of the investment products.

Due to the nature of the products being discussed, anyone who wishes to attend must call 858-597-1980 for pre-qualification to attend.
